

PANDA PROGRAMMER

Thursdays
4pm-6pm

Instead of just PLAYING video games,

your kids can DESIGN and PROGRAM them!

LEARN CODING WITH PANDA PROGRAMMER

- Convenient after-school classes right at Westover Elementary School
- For students in grades K to 5
- Visit PandaProgrammer.com to sign up for an upcoming session!
- Next sessions begins on 4/13/23. **Contact us to join a current session!**
- No computer experience is necessary, and computers are provided for each student
- **Only \$239 per session!** Each session consists of 6 weeks of classes
- Weekly courses offered all year long. We are Covid-conscious!
- Most students re-enroll to continue their learning
- Most importantly, KIDS LOVE IT!

PROGRAMMING
IS FUN!

Scratch

Created by MIT, Scratch is a program that allows students to create their own interactive stories, games, and animations.

Robotics

Students can learn how to build and program an mBot robot. This is a favorite among our students!

Python

From web development to data science, machine learning, and more, Python's real-world applications are limitless.

JavaScript

JavaScript is the language that powers your favorite websites and online applications. Students learn HTML and CSS as well!
