PANDA PROGRAMMER

THURSDAYS 4:00PM to 6:00PM
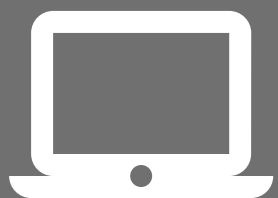

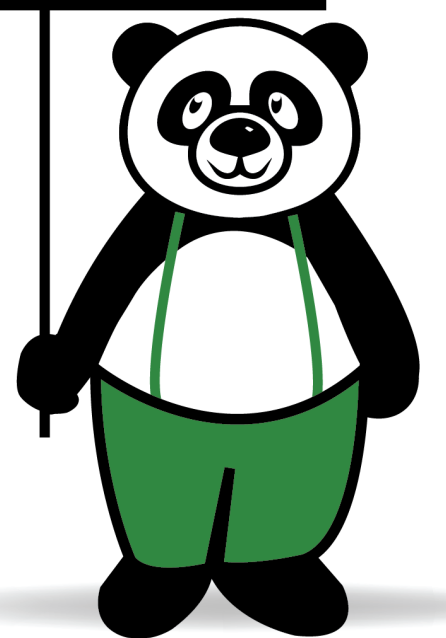

Instead of just PLAYING video games,

your kids can DESIGN and PROGRAM them!

LEARN CODING WITH PANDA PROGRAMMER
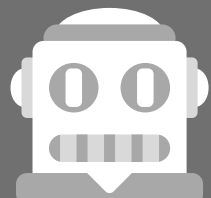

PROGRAMMING IS FUN!

- Convenient after-school classes right at **Westover Elementary School**
- For students in grades K to 5
- Visit PandaProgrammer.com to sign up for an upcoming session!
- Next sessions begins on **November 2nd**.
- No computer experience is necessary, and computers are provided for each student
- **Only $239 per session!** Each session consists of 6 weeks of classes
- Weekly courses offered all year long. See our website for COVID policies!
- Most students re-enroll to continue their learning
- Most importantly, KIDS LOVE IT!

Scratch
Created by MIT, Scratch is a program that allows students to create their own interactive stories, games, and animations.
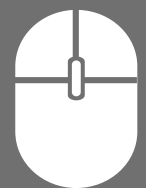

Robotics
Students can learn how to build and program an mBot robot. This is a favorite among our students!

Python
From web development to data science, machine learning, and more, Python's real-world applications are limitless.

JavaScript
JavaScript is the language that powers your favorite websites and online applications. Students learn HTML and CSS as well!
