Spanish Introductory / La gallinita roja

Let's speak Spanish with the Little Red Hen! A fun, story-based introduction to Spanish where children learn and practice speaking through storytelling, props, songs, games, and hands-on activities.

Join us for our spring story, *La gallinita roja*, or *The Little Red Hen*!

Grades K-1

Spanish Beginner B

New and continuing beginners practice speaking Spanish and begin to read and write in a fun, informal, language immersion setting.

New topics and themes this session include the alphabet, spelling games, favorite sports and pastimes, clock and telling time, prepositions, musical instruments, numbers to 100, farm animals, and breakfast! **Grades 2-5**

Big Learning classes are taught by native speakers of the language they teach. Workbooks and hands-on activities promote practical use of the language and support early literacy skills. Children can learn and practice new vocabulary and concepts throughout the year.
